### **Child Saving Institute Guild hosts Touch-A-Truck**

*Omaha, Nebraska* - Saturday, September 8th, was a perfect day for the Child Saving Institute (CSI) Guild's first annual Touch-A-Truck event for children of all ages and their families. Excited children lined up to meet the drivers and pilots who operate emergency, utility and military vehicles, the Life Net helicopter, bulldozers, semi-trucks, race cars and diggers. There were face painters, clowns creating balloon animals, and "bouncy castles" for those kids with extra energy. Over 2,000 kids and their favorite adults attended Touch-A-Truck in the First Data Resources and Peter Kiewit Institute parking lots at 69th & Pine.

Guild event Chairs for Touch-A-Truck were Hillary Nather-Detisch and Lori Waterstraat. CSI's Guild was honored to have Wick's Trucks and Werner Enterprises as sponsors and vehicle providers. Media sponsor WOWT Channel 6 broadcast live from the event.

Child Saving Institute, a 501(C)(3) not-for-profit child welfare organization, is dedicated to the prevention and treatment of child abuse and neglect. Since 1892, CSI's mission has never waived from providing care for abandoned, neglected and abused children. CSI has met the changing needs for children in the Omaha metro area based on the belief that children are the community's most valuable resource. CSI's Mission Statement: "Responding to the cry of a child."
